FOR IMMEDIATE RELEASE:

Clerk and Property Appraiser's Offices' Partnership Benefits Citizens

Pinellas County – Clerk of the Circuit Court Ken Burke and Property Appraiser Pam Dubov, have each added a new function to their respective websites, making each site a more powerful and useful tool, especially for those in the real estate, title, or insurance industries.

Many people who use the Property Appraiser's website, www.pcpao.org, need to view a parcel's deed, but deeds are stored on the Clerk's website, www.mypinellasclerk.org. To facilitate this need, the Property Appraiser added links that go to the Clerk's site. These new links can be found near the sales transaction information on the Property Appraisers site.

"The completion of this project marks a milestone in the customer service initiatives of both offices," said Burke.

Customers can now follow these links directly to an image of the parcel's deed. If the deed is not in the system and an electronic image is not available, a message displays alerting the customer.

"Over the years, customers have asked us why they can't link from our parcel information to the Clerk's deed information, said Dubov. "This partnership enables our customers to view the deed to a parcel or vice versa by simply clicking on a link."

Similarly, on the Clerk's website, links from the Official Records Search Page will redirect customers to the Property Appraiser information associated with a particular parcel.

For more information visit the Property Appraiser website at www.pcpao.org, the Clerk of the Circuit Court website (www.mypinellasclerk.org), or call the Property Appraiser's office at 727-464-3207.
