Amscot Financial to accept traffic citation payments

Tampa Bay Business Journal

Ken Burke, Pinellas County clerk of court, partnered with **Amscot Financial** to receive payments for Pinellas traffic citations and fines.

Beginning June 1, payments may be made at any Amscot location in Florida, a release said.

Amscot will charge a non-refundable \$2 fee for the service.

The clerk's office partnered with Amscot to take traffic court payments because many of the company's locations are open 24 hours daily and are conveniently located throughout the state, the release said.

Pinellas is the first county to process traffic court payments through Amscot.
