

DOCK, PIER, AND WHARF CONSTRUCTION
CONTRACT BOND NO. _____

STATE OF FLORIDA)
)
COUNTY OF PINELLAS)

KNOW ALL MEN BY THESE PRESENTS THAT WE,

a corporation duly qualified and authorized under the laws of the State of Florida to act as surety on bonds (hereinafter called the Surety) are held and firmly bound unto Pinellas County Water and Navigation Control Authority in the penal sum of Five Thousand and no/100 (\$5,000.00) dollars lawful money of the United States of America, the true payment whereof well and truly to be made we do bind ourselves, our respective heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by this bond.

The condition of this bond is that if the above bounden Principal, the said _____ shall protect the Pinellas County Water and Navigation Control Authority and the County of Pinellas against all loss or damage occasioned by the negligence of the said Principal herein in failing to properly execute and protect all construction of docks, piers, and wharves by said Principal or the employees of said Principal or under the direction and supervision of said Principal and from all loss or damage occasioned by or arising in any manner from any such work done by said Principal or the employees of said Principal or under the direction or supervision of said Principal which is not caused by the negligence of the Pinellas County Water and Navigation Control Authority or the agents, or employees, or by the negligence of the agents or employees of the County in which such construction is performed, and further will keep and observe all laws of the State of Florida and the Pinellas County Water and Navigation Control Authority relating in any way to construction of docks, piers, and wharves, and all local ordinances where such construction is done, which relate in any way to construction of docks, piers, and wharves, and shall do all construction in compliance with the minimum requirements of the State regulations and shall further without additional cost to the person for whom the construction is done, remedy any defects in said work due to faulty material furnished or used by said Principal and shall further reconstruct and repair any such defective construction work or materials to the satisfaction of the Director of Environmental Management of Pinellas County or his designated representative, at any time within one (1) year after the construction, alteration, or installation thereof by said Principal, or under his direction or supervision and within forty-eight (48) hours after written notice from the Director of Environmental Management of Pinellas County or his designated representative, to reconstruct or repair same, then this obligation shall become null and void; if the Principal fails to meet these obligations, then this bond shall remain in full force and effect.

Any failure or default on the part of the Principal in remedying any defects in construction of docks, piers, and wharves due to faulty workmanship and incorrect construction

or due to faulty material furnished or used by Principal, shall give the person for whom such work is performed a direct right of action against the Principal and Surety under this obligation; provided however, that no suit, action or proceeding by reason of any default whatever shall be brought on this bond, after one year from date of the final completion of such construction by the Principal for such third person.
